Hi Craig,

If you do need us...early Tuesday would work best for me. You can reach us in the lab at either 617-983-6632 or 617-983-6630.

Thanks,  
Kate

Nicole and Kate,  
At long last it appears that this case is finally going to trial on Monday. Barring an exepcted plea I will probably need you to testify either late Monday or early Tuesday. How much advance notice will you need to get to court? Will it be best for me to try to reach you at the lab or on a cell phone? I can be reached at (617) 619-4168 (office or (617) 462-6774 (cell)  
The analysis number for this case is [REDACTED]

Thanks,  
Craig
